- * Plastic

S4/R4 -E

4- or 6-colour carousel, delivered either with 4 or 6 rotating printing pallets or with 1 stationary non rotating pallet. SMALL carousels can be delivered either with side- or end-screenclamps - "All arms down".

Very precise and rigid construction provides you an excellent basis for quality prints.

Easy to adjust and quick to operate.

As options a variety of Hold-Down systems, as well as vacuumpallets can be supplied.
